The grounds for this request are as follows:

- *Parties are unable to complete discovery/testimony during assigned period*
- *Pursuant to 37 C.F.R. Â§ 2.120(a) and Rule Â§ 6(b) of the Federal Rules of Civil Procedure, the parties hereby request a thirty-day extension of the deadline to complete discovery and to correspondingly reset the trial dates. Registrant previously requested that Petitioner consent to a sixty-day extension of the deadline to complete discovery; however, Petitioner refused to consent to such an extension and instead proposed that the parties move for a thirty-day extension. In an effort to reach an agreement, and without waiving its right to seek a further extension of time if necessary, Registrant has agreed to a thirty-day extension of the deadline to complete discovery. This Motion for extension has been addressed with counsel for the Petitioner, Raymond Rundelli, Esq., and Attorney Rundelli has consented to this extension. This request is made in good faith and not for purposes of delay.*

Ortronics, Inc. has secured the express consent of all other parties to this proceeding for the extension and resetting of dates requested herein.

Ortronics, Inc. has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.
